Message from Downtown Coordinator

As summer comes to an end we have much to look forward to this fall.

The Burlington Downtown Corporation has just kicked off an exciting project, Haden Stanziale, an Urban planning Company, has been hired to create a Master Plan for Downtown Burlington. Kick off meetings were held in August to start the process of collecting valuable information for the downtown plan. There will be public meetings later in the year that will give in site to the final product.

We have several fall events to look forward to; Picnic in the Plaza hosted by 98.7 Simon will be held September 26 which will also kick off the Alamance Walks, a six week walking program. The Farmer's Market that takes place behind the Historic Depot will be available through October 25th. The popular Trick or Treating
